UNINTENTIONALLY SUBMITTED IN APPLICATION**

Technology Center Director
Assistant Commissioner for Patents
Washington, DC 20231-9998

Sir:

Applicants respectfully request that the Exhibit A submitted in support of Applicants' Declaration in support of a petition under 37 C.F.R. §1.47, which includes a copy of a page of one of the inventors' employment contract, be expunged and returned, since it was unintentionally submitted with the inventor's social security number.

Alternatively, in lieu thereof, Applicants' respectfully request that the social security number at the bottom of the page be redacted.

Exhibit A was filed on July 22, 2002 as part of the Applicants' Response to a Notice of Missing Parts.

The above-identified employment contract of Exhibit A having the inventor's social security number was not meant to be part of the file history of the patent application. Applicants regrettably erred and should have redacted the inventor's social security number before filing it with the above-identified Declaration. The inclusion of this employment contract with the

inventor's social security number could harm the inventor because the prosecution history is available to the public such that other members of the public could view the inventor's social security number. With the problems of privacy and identity theft in today's society, having the inventor's social security number available to the public is unacceptable.

Therefore, Applicants respectfully request that the above-identified employment contract of Exhibit A be expunged and returned, or in lieu thereof, the social security number be redacted.

Petitioner submits that the letter which is requested to be returned is not information material to patentability under 37 C.F.R. §1.56.

A check in the amount of \$130.00 is enclosed for the petition fee under 37 C.F.R. §1.17(h). If any additional fee is required, please charge Deposit Account No. 02-2666. A duplicate copy of the Fee Transmittal is enclosed for deposit account charging purposes.

Respectfully submitted,
